

State Head- Chhattisgarh

Background:

Sterlite EdIndia Foundation (EdIndia) is a non-profit organization with the aim to enhance the quality of education in India. We empower teachers, administrators, and communities to enhance the classroom learning experience by leveraging technology and data analytics. Our strong understanding of grassroots challenges helps us in designing innovative tools, solutions, and frameworks to improve the educational landscape in the country. It has been provided incubation support by Sterlite Power Transmission Limited and its group companies.

Our Vision: Every child in the country has access to quality education.

Our Mission: To engage with educational ecosystem - teachers, future teachers, administrators, and community- with tech innovations, content, skills, and analytics to provide quality learning experience to children

We realize our vision and mission through the following key initiatives:

1. **Teacher Education Program:** Preparing teachers of the future by building the capacity of pre-service and in-service teachers
2. **Data Analytics Support Program:** Driving a culture of data-driven decision-making in the public education system
3. **Community Empowerment Program:** Empowering the parents and communities to become active stakeholders in their children's learning journey
