

Executive- Animator (Digitization Team), Mumbai, Maharashtra

Background:

Sterlite EdIndia Foundation (EdIndia) is a non-profit organisation with the aim to enhance the quality of education in India. We empower teachers, administrators, and communities to enhance the classroom learning experience by leveraging technology and data analytics. Our strong understanding of grassroots challenges helps us in designing innovative tools, solutions, and frameworks to improve the educational landscape in the country. It has been provided incubation support by Sterlite Power Transmission Limited and its group companies.

Our Vision: Every child in the country has access to quality education.

Our Mission: To empower educators by enhancing teacher capabilities and fostering a culture of data-driven decision-making within the public education system

We realise our vision and mission through the following key initiatives:

- **Institutional Strengthening Programme:** Enabling SCERTs and DIETs to build expertise and develop implementation strategies aligned with NEP 2020.
- **Teacher Education Programme:** Preparing teachers of the future by building the capacity of pre- service and in-service teachers.
- **Data Analytics Support Programme:** Driving a culture of data-driven decision-making in the public education system.

EdIndia currently operates in six states—Maharashtra, Rajasthan, Chhattisgarh, Tripura, Uttarakhand, and Arunachal Pradesh.

As an **Animator**, you will be responsible for **creating high-quality character, object, and text animations** for digital learning content. You will work closely with the team to develop **engaging visuals, enhance storytelling, and optimize workflows**.
